

Cranked Out Clowns

Ladies and Gents, and Children too
 Those Cranked Out Clowns in front of you,
 Demons of Death have sold them a deal
 Their very lives, and souls to steal.
 Tearing up Parents and homes apart
 Even stopping a young girl's heart.

The Devil's Circus is now in town
 Smashing dreams of Cranked Out Clowns.
 Leading them down the path to Hell
 With destruction that Satan sells.
 Don't let Satan fool you too
 With tricks to steal your soul from you.
 But look to Jesus, to set you free
 He is the only hope for you and me.

**Put all your love into Jesus
 and He will change your life**

He will flood your heart with waves
 of forgiveness, and true joy
