

## Let Jesus Calm the Storm in Your Life

Those of you who want to live this so called "Gangster Life", keep this in mind - there are those among us who use a gang to cover their own lust for destruction and cruelty. The killing of a strong man is an exercise in futility because it only leaves a place for another strong man. Yet such men do not care - they wish to kill and destroy because it enhances their own image in their twisted minds. They believe they are men of respect and honor. Their concept of being a real man is distorted by the fantasy of being a gangster whose only destination is death, self-destruction and eternal anguish.

Join "God's Gang" and you will be protected for Eternity! Pray to Jesus and read the Bible. Let His words become part of your thinking and He will open your mind and heart. Jesus said "You will know the truth, and the truth will set you free" (John 8:32). When you accept Christ as your Saviour, you will be starting a wonderful life of excitement and adventure. You will feel his wonderful presence!

Jesus said: "All power is given unto me in heaven and on earth." (Matthew 28:18)
