## READ THE BIBLE

JESUS  
IS  
LORD!

Put all your love into Jesus and  
He will change your life. He will  
flood your heart with waves of for-  
giveness, and true joy

I AM HAPPY.

At age 5, I already desired feminine things.  
Caught wearing women's underwear, I desired  
breasts.  
At age 12, I began to cross dress. With hor-  
mone pills, I finally had my own breasts. I was  
still so unhappy.  
To think I was born gay and can't change is a  
lie.  
I called out to Jesus and He changed me.  
JESUS is the highlight of my life. He made me  
into a true man.  
Whatever the problem is, JESUS CAN FIX IT.
